

FIELD SHEET FOR RECORDING SOIL CHARACTERISTICS

University of California, Davis

No. _____

Soil series _____ Classification _____

Location _____ Quad _____

Landform _____ Elevation _____ Slope _____ Aspect _____ Erosion _____

Parent material _____ MAP _____ MAAT _____ MAST _____

Native vegetation _____ STR _____ SMR _____

Present use _____ Groundwater _____ Permeability _____ Salinity/sodicity _____

Associated soils _____ Diagnostic features _____

HORIZON	DEPTH	BDRY	COLOR		TEXTURE	CLAY	ROCK FRAGS	STRUCTURE	CONSISTENCE			pH	CLAY FILMS	ROOTS	PORES	CO ₃	OTHER
			D	M					D	M	W						

Soil region _____ Profile group _____ Natural land division _____ Storie index _____

Soil grade _____ Land capability unit _____ Interpretation for _____

Suitability: Irrigated crops _____ Nonirrigated crops _____ Range _____ Timber _____

Remarks _____
